Photographer and Greeting Card Designer

Julie-Anne Bolton

Julie-Anne has always wanted to create memorable greeting cards. Together with her love for photography, graphic design, and teddy bears she is now publishing cards of teddy bears that she has adopted from Canadian Teddy Bear Artists. The “Canadian Teddy Bear Collection” is her first series of many to come. All of the Teddy Bears have become special friends and part of her forever growing family!

Canadian Teddy Bear Artist

Rhonda Ridgeway

Teddy Bears: “Kate” and “Lisa” are both 15” tall and both made from previously enjoyed fur coats.

Rhonda Ridgeway creates teddy bears from previously enjoyed fur coats, between raising three children and working as a Registered Nurse. She began making teddy bears in 1995 when she created a family heirloom from her grandfather’s fur coat. Rhonda creates heirlooms for other families so that they can be displayed, cherished and not forgotten.
